CELEBRATING 30 YEARS

This year, we proudly celebrate 30 years—a milestone made possible by the trust and loyalty of customers like you. From humble beginnings in Deb and Roger’s garage, where they set out to design the most durable and beautiful outdoor furniture, to today’s thriving business, our journey has always been about creating pieces that bring people together and stand the test of time.

To those who have supported us along the way, thank you for making us part of your story. And to those just discovering what we offer, we’re thrilled to welcome you into a community built on care, commitment, and a shared passion for quality. As we look to the future, our dedication to quality, craftsmanship, and exceptional service remains as strong as ever.

Thank you for 30 incredible years. Here’s to many more!

-By the Yard Family

OUR FAMILY RECIPE FOR DURABLE, BEAUTIFUL FURNITURE

At By the Yard, we craft outdoor furniture that doesn’t just last—it stays beautiful for decades. Our “family recipe” combines premium materials, thoughtful engineering, and skilled craftsmanship to create pieces that perform season after season.

- 1. From Recycled to Remarkable** - It all begins with reclaimed #2 plastics, like milk jugs. We transform these materials into High-Density Polyethylene (HDPE) lumber—an incredibly durable base for our furniture. While HDPE is naturally strong and won’t crack, chip, or splinter, we go further—enhancing our proprietary formula with a unique blend of UV protection to resist fading.
- 2. Precision in Every Plank** - Not all HDPE lumber is created equal. By the Yard’s custom-engineered boards are purpose-built for all-season use and designed to endure year after year without compromise. Their durability is matched only by their versatility and beauty.
- 3. Craftsmanship You Can Count On** - Using our proprietary planks, stainless steel hardware, and other recyclable materials, our skilled craftspeople create outdoor furniture that reflects care and attention to detail in every piece. This dedication ensures unmatched quality, exceptional comfort, and timeless style.

BETTER BY DESIGN, BUILT FOR YOU

Quality and attention to details that you can *SEE and FEEL*.

- Maintenance-free
- No painting - *EVER*
- Easy clean
- All weather - no winter storage
- UV-stabilized lumber & colors
- Recycled plastic

KICK BACK & RELAX

STEP 1

CHOOSE A BACK STYLE

A seat's back is more than an aesthetic choice; it's also about comfort. Consider both when making your selection.

STEP 2

CHOOSE A CHAIR HEIGHT

Consider who is using your seats. Kids, seniors, and people with disabilities do best with lower chairs, while adults often enjoy an elevated seat.

STEP 3

CHOOSE YOUR MOTION

Consider your guests' physical capabilities and needs. Stationary is the safest as it can be used for support when lowering or standing. Swivel options are easier to access and more comfortable.

STEP 4

CHOOSE A COLOR

*Premium wood grain colors priced above base—contact us for details.

Finding the Perfect Outdoor Dining Seating

The right dining seating transforms your outdoor space, enhancing comfort and functionality. Whether hosting family meals or large celebrations, it's important to choose options that suit your needs and entertaining goals.

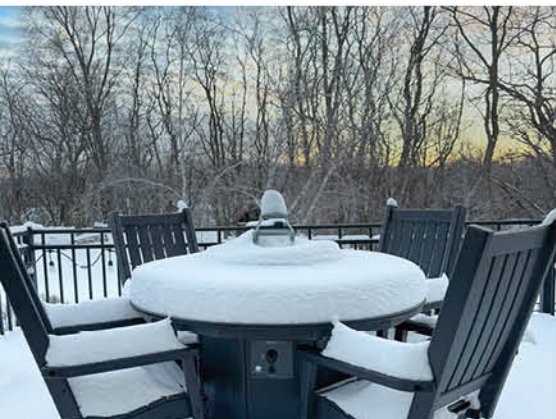

Consider seating height and accessibility. By the Yard offers bar, counter, and standard dining heights, so you can create the perfect setup for all ages. Swivel and swivel-flex chairs add ease and comfort for guests, while stationary chairs provide timeless stability.

Benches are a versatile choice, especially for families or larger groups. They're great for kids and can maximize space by seating multiple guests. Stools provide flexibility and mobility, making them ideal for gatherings where you may need to rearrange seating or add extra spots around the table.

With By the Yard's durable, weather-resistant designs, you'll find seating solutions that combine style and functionality, ensuring your outdoor dining area is ready for any occasion.

I absolutely love the balcony table — it's perfect for my small space! It fits beautifully up to the railing, giving me the best spot to enjoy the view without feeling cramped.
— Claire S., MN

STEP 1

CHOOSE A TABLE SHAPE

Look beyond the table and consider the area and uses. Round tables are nice for tight spaces with less room to move about. However, squared corners create more usable space at the table.

STEP 2

CHOOSE A SEATING CAPACITY

People usually think big, but a small table can create an inviting setting for two to four people. Of course, big tables are a must for large families and gatherings with lots of guests to accommodate.

STEP 3

CHOOSE A HEIGHT

Do you want to stand or sit and relax? Can everyone use a high seat, or should you accommodate kids, seniors, or people with disabilities? A table's height plays a big role in who can use a table and how.

STEP 4

CHOOSE A COLOR

STEP 1

CHOOSE AN ADIRONDACK STYLE

A peaked back is the classic Adirondack design. However, some people find that a straight or slightly curved back fits their shoulders better. What's your cozy choice?

STEP 2

CHOOSE YOUR FIT

Will your Adirondack be for you, for two, or perhaps young ones? You may need all three versions to ensure everyone has a stylish seat.

SWITCH INTO GLIDE MODE

STEP 1

CHOOSE A BACK STYLE

The back shapes a glider's appearance and comfort. Consider how the back fits against your shoulders. Also, short people may prefer a lower option so their heads don't touch the back.

STEP 2

CHOOSE YOUR VIBE

There is no one way to glide. To get the most out of your outdoor space, consider using different versions of our gliders to suit your uses and locations.

LIGHT IT UP

STEP 1

CHOOSE A FIRE TABLE SHAPE

A fire table naturally brings people closer together. A rounded table allows everyone to gather easily, while square tables provide a modern flair to your outdoor space.

STEP 2

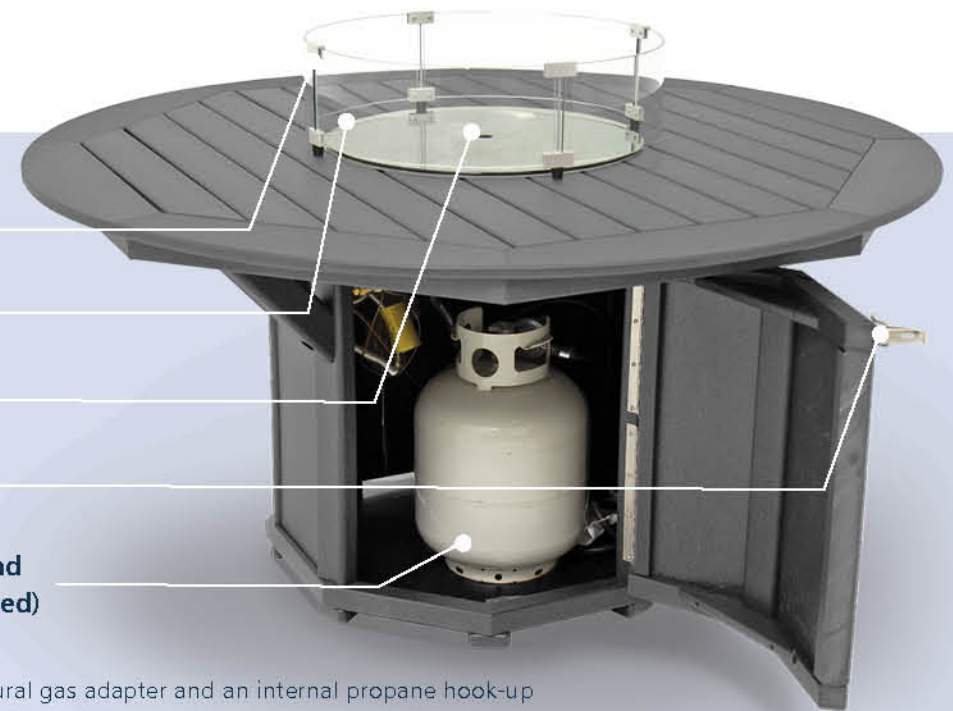

CHOOSE A FIRE TABLE HEIGHT

Is your fire table a place to gather under the stars, somewhere to set out drinks and snacks, or maybe where you'll have dinner? Match your table height around your plans and guests' needs.

STEP 3

CHOOSE A COLOR

Tempered glass wind guard

Stainless steel fire bowl

55,000 - 80,000+ BTUs

Stainless steel hardware

Interior propane tank hook-up and storage (propane tank not included)

All Fire Tables come equipped with a natural gas adapter and an internal propane hook-up for you to select how best to add a warm glow to your outdoor space.

Cushions available in 5 Sunbrella® colors

Why Our Cushions Are Exceptional

Crafted with premium Sunbrella® solution-dyed acrylic fabrics, our cushions are built to resist stains, fading, and wear while providing years of vibrant, low-maintenance comfort.

Long-Lasting Color: Solution-dyed for vibrant and fade-resistant hues.

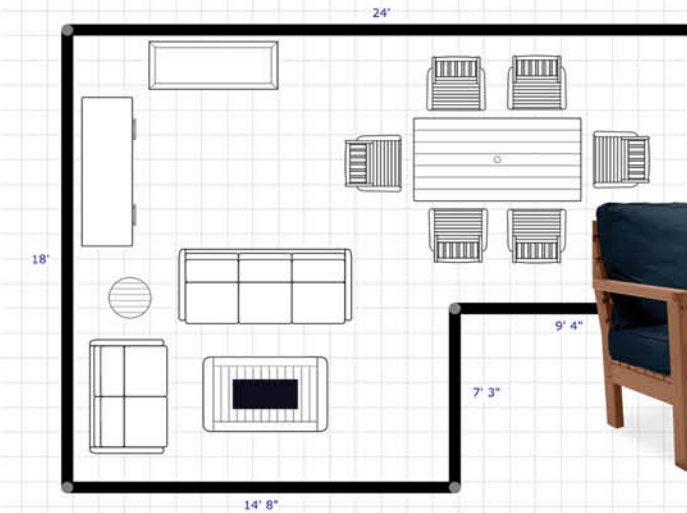

Weather-Resistant: Stands up to stains, moisture, and wear in any environment.

UV Protection: Blocks up to 98% of harmful UV rays.

Quick-Drying: The breathable, water-repellent fabric dries quickly after exposure to rain.

Mildew-Resistant: Naturally resists mildew when kept clean.

Easy Maintenance: Monthly rinsing prevents buildup; deep cleaning is often only needed every 2-3 years.

Our farm was hit with golf ball-sized hail, which caused damage to every roof, window, and piece of siding on the property. Despite all this, there wasn't a bit of damage to the By the Yard chairs, tables, or Adirondacks that we own.

UMBRELLA

LIMITED 35-YEAR WARRANTY

By the Yard was founded on the idea of building exceptionally durable, timeless outdoor furniture out of recycled plastic. When something is going to be around for a long time, it needs to be right. That's why we make our furniture to the highest of quality standards and pay attention to the little things that make it structurally sound and exceptionally comfortable. We believe in our product and stand behind our warranty. Once you purchase from By the Yard, you become a valued member of our family!

Limited 35-year Residential Warranty on our Materials and Workmanship

By the Yard is committed to producing high quality furniture and will warrant its products to the original purchaser for 35 years from the original date of invoice. That means that you can count on our furniture not decaying, rotting, cracking, or splintering and that you will never need to paint, stain or seal your furniture.

General Warranty Conditions & Exclusions

By the Yard products are made with UV stabilizers to minimize fading; however, upon prolonged exposure to the sun all colors may fade to some degree. It is also possible that the Xylan coated stainless steel hardware, swivel mechanisms, and flex mechanisms can show some rust over time in certain climates. While this is not ideal, it will not affect the integrity or the strength of the hardware.

See bytheyard.net for full warranty, terms and conditions.

ECO-FRIENDLY CLEANING TIPS

At By the Yard we clean our furniture by simply using soap and water on a regular basis...and we recommend that you do the same. A pressure washer on the "fan" setting can be used if necessary (especially on white furniture) but be very careful not to get closer than 24 inches! Any non-abrasive cleaner can also be used, including bleach to sanitize or disinfect.

SHIPPING & DELIVERY

Standard Delivery

If you're in our local delivery zone, we'll deliver your fully assembled order right to your driveway. Our trained drivers will carefully bring your new furniture to your home, starting at just \$39 per order. Simply place it and start using it!

Enhanced Delivery

Our enhanced delivery service is our white glove delivery service where we will deliver and place your furniture for you. All you have to do is sit and enjoy! This service starts at \$199 per order and is offered within our local delivery zones.

Shipping

Outside our local delivery zones? No problem! We can ship anywhere in North America. Your order includes hardware and detailed instructions for easy assembly, so you can start relaxing outdoors in no time.

Need your items quick?

Visit bytheyard.net or call **877-220-0448** to see if your order qualifies for our quick ship program!

All orders will ship F.O.B. factory unless otherwise noted and returns may be subject to a restocking charge. The prices in this catalog are based on current raw material costs and are subject to change without notice. All photos, illustrations, colors, dimensions & specifications are based on latest product information. By the Yard Inc. reserves the right to change or modify any product offering or specification at any time without notification. Any variation to color may be due to the printing process.
